Our Identity at a Glance

Who We Are

- Registered Non-Profit Healthcare Organization focused on Maternal, Newborn, Child, and Adolescent Health. Located at Crescent Street, New Katoto, Mzuzu, Malawi. Established: Aug 2019. Plot number: 14122838, off the M1 Road”.

Vision: Equal access to safe sexual reproductive health services for all women in Malawi. Mission: Safe delivery, youth empowerment through SRHR education, and improved access to family planning services.

uchembere.org

Founding Story

From Personal Loss to Community Hope

Lucy Msukwa's journey began with heartbreak — the loss of a loved one due to preventable maternal complications. That grief became her greatest motivation, fueling a commitment to ensure no family in her community would suffer the same fate.

From personal conviction, Lucy built Uchembere Wabwino Maternity Clinic in August 2019 — transforming pain into purpose and growing a trusted community healthcare provider serving mothers, children, and youth across Mzuzu, Malawi.

Her story is our foundation

Child Health

Services

Immunisation

Child Health Services

Integrated Child Healthcare

Core Child Health Services at the Clinic

- ➔ Immunisation programmes protect children from preventable diseases. Growth monitoring assessments track healthy development, while nutrition support ensures children receive the nourishment needed for strong physical and cognitive growth.
- ➔ Integrated child healthcare services bring together under-five consultations, health screenings, and community outreach to ensure every child in Mzuzu and surrounding areas receives timely, compassionate, and quality care.

Uchembere Wabwino

Family Planning

HIV Testing

SRH Education

Sexual & Reproductive Health Services

Empowering Women Through Informed Health Choices

Comprehensive SRH Care for Every Woman

➡ We provide family planning counseling and services, cervical cancer screening, and HIV testing and counseling — ensuring every woman has access to confidential, respectful, and evidence-based reproductive healthcare.

➡ Our reproductive health education programs equip women, girls, and youth with the knowledge to make informed decisions about their bodies, relationships, and futures — fostering dignity, safety, and long-term wellbeing.

Uchembere Wabwino

Community Health and Outreach

Reaching Every Corner of the Community

Our outreach clinics bring essential maternal, newborn, and child health services directly to rural and underserved communities, removing barriers of distance and access.

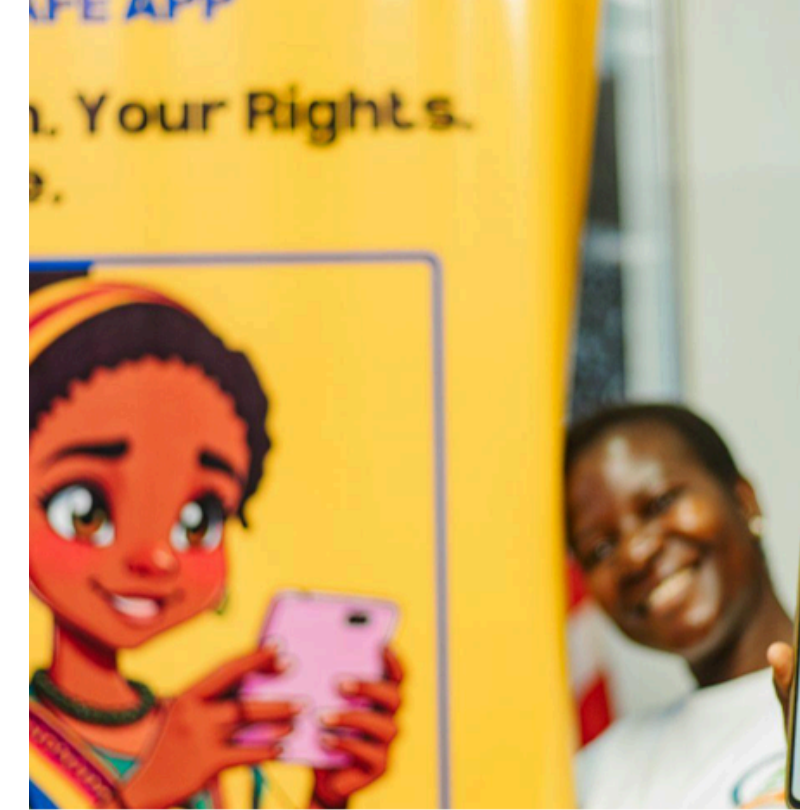

In partnership with DAK Family Foundation, we have reached 2500+ rural women through targeted health promotion campaigns, engaging communities where they live.

Healthier communities, together

uchembere.org.

Youth Health & Empowerment

Empowering Young People Through Education & Care

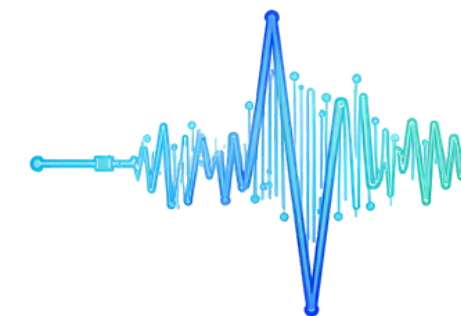

Youth-Friendly Services

Our youth programs provide life skills and SRHR education, peer education initiatives, and access to youth-friendly health services. Through the Uche Safe App and community peer educators, we empower young people to make informed decisions about their sexual and reproductive health, reaching over 17,000 young people across Malawi.

Uchembere Wabwino

Innovation Initiatives

Our Key Innovations

Uche Safe App: An interactive, offline-capable mobile app providing youth with accessible SRHR education and counseling — empowering young people with knowledge anytime, anywhere.

Mobile Outreach Clinics: Bringing essential maternal and child health services directly to remote and underserved rural communities across the region.

Modern Diagnostic Equipment: State-of-the-art ultrasound technology and diagnostic tools ensuring accurate, timely clinical assessments for mothers and newborns.

MEAL Systems: Robust Monitoring, Evaluation, Accountability & Learning frameworks driving continuous quality improvement and evidence-based decision-making across all programmes.

Innovation for Healthier Communities.

Leadership Profile

Lucy Msukwa — Founder & Executive Director

Lucy Msukwa founded Uchembere Wabwino Maternity Clinic in 2020 following a deeply personal loss that ignited her commitment to safe motherhood. A qualified nurse-midwife and public health advocate, she has transformed grassroots conviction into a thriving community healthcare provider serving women, children, and youth across Mzuzu.

Awards & Recognition: Presidential Zikomo Award · Mandela Washington Fellow · African Visionary Fellow · United Leaders Global Ambassador. Lucy leads with empathy, evidence, and an unwavering vision for equitable reproductive health across Malawi.

**Visionary. Compassionate.
Community-Led.**

Our Dedicated Team

22+ Multidisciplinary Professionals

Committed to Maternal & Child Health

Our team brings together skilled professionals across clinical, program, and administrative roles. We are composed of nurse midwives, clinical officers, doctors, laboratory technicians, pharmacists, finance officers, M&E specialists, community outreach workers, and dedicated volunteers – all united by a shared commitment to safe motherhood and healthy families.

Uchembere Wabwino

Governance Framework

Policies & Governing Documents

• Constitution • Board Charter • Code of Conduct • Financial Management Policy • Human Resources Policy

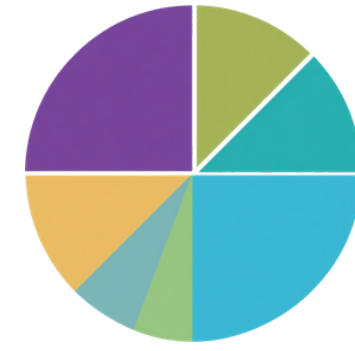

• Safeguarding Policy • Risk Management Framework • Procurement Policy • Independent Board Oversight & Annual Audits

Accountability. Transparency. Integrity.

Uchembere Wabwino

Financial Stewardship

Accountability & Transparency

Independent Board oversight ensures all financial decisions are reviewed and approved at governance level. Annual budgets are prepared, monitored, and audited by external auditors to guarantee full transparency and accountability.

Procurement follows strict ethical processes with competitive tendering. Our diversified funding model draws from donor grants, clinical income, development partnerships, and community contributions — ensuring long-term financial sustainability.

Uchembere Wabwino

Sustainability Pillars

Strong Governance · Financial Sustainability · Institutional Capacity · Innovation · Strategic Partnerships — five interconnected pillars ensuring Uchembere Wabwino Maternity Clinic delivers lasting impact for mothers, children, and communities across Malawi.
